Dear Mr. Mactelly:

In reply to your letter of 22 November 1949, the activities of the Central Intelligence Agency in 1949 were concerned with the performance of the mission as given in last year's article. The tear sheet of last year's article which you enclosed with your letter has been reviewed and since there are no significant changes in the activities of this Agency it is suggested you reprint this article for your 1950 New International Year Book.

Sincerely yours,

*Adm. - via RR 12/1/49.*
